The Tuition Refund Plan (the Plan) will pay benefits (subject to terms, conditions, and limitations and based on the amount insured) to the School which provides assistance in meeting your financial obligation. The Plan will provide tuition assistance in the event of withdrawal or dismissal, including medical reasons (annual tuition both prepaid and due, are insured). The Plan is effective August 1, 2018, for medical withdrawals and August 28, 2018, for all other withdrawals. Depending on the reason for non-medical withdrawal, the benefit will range from 60-75% of the prorated tuition. Except for medical withdrawals, the student must attend school for 14 calendar days before the Plan will pay any benefit. The Plan is fully described in the brochure.

The School offers you the Tuition Refund Plan as a means to insure your ANNUAL financial obligation under the terms of the accompanying Enrollment Contract. This protection is important to you, and the School recommends that you participate in the Plan. PLEASE CAREFULLY READ THE INFORMATION REGARDING THE PLAN THAT APPEARS ON THE STUDENT ENROLLMENT CONTRACT AND THE TUITION REFUND PLAN BROCHURE. INDICATE ON THE STUDENT ENROLLMENT CONTRACT WHETHER OR NOT YOU DESIRE THE COVERAGE. Tuition refund plan election and payment must be completed by August 1, 2018.

Since there will be no refund if enrollment is cancelled or terminated after May 1, 2018, we have no hesitation in recommending that all parents, in their own interest, participate in the plan.
